Create your echo! As easy as 1,2,3

- 1 Put it on the map
- 2 Give it a name
- 3 Send it!

Where do you want your echo to be listened? Please, place your echo on the map. Zoom as much as you can and click to precisely place the echo. When done, click 'Proceed'.

But students often don't want to participate in projects involving MALL.

- They feel self-conscious about approaching others and using the TL.
- They expect to face rejection
 - especially from young people.
- They don't want to use recording devices.
